WELCOME

YOUR PERFECT DAY AWAITS

Dream wedding venues don't come much dreamier than a white palace by the sea. Especially if that palace inspired a symphony by Debussy, played host to King Constantine of Greece and has been the pearl of the Sussex seafront for 150 years.

The Grand Hotel offers stunning reception rooms, ornamental gardens and unforgettable views. Your dream wedding is waiting for you — all you have to do is make it yours.

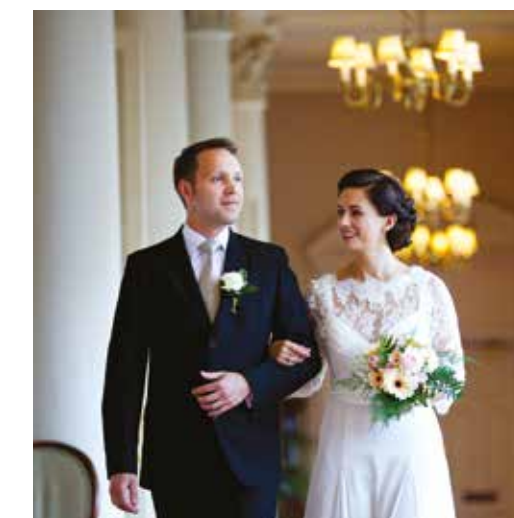

THE GROUNDS

BEAUTIFUL BACKDROPS

Perfect days need the perfect setting, such as a sun terrace overlooking a tranquil pool, a beach with a graceful pier and the sweeping Sussex coastline. Could there be a more impressive backdrop to your wedding photographs?

THE BIG DAY

YOUR HAPPILY EVER AFTER

Where better to seal your vows than in a hotel that resembles a giant wedding cake? (Or, from another angle, like the dramatic white cliffs surrounding it). Whatever The Grand Hotel reminds you of, its old world charms will soon seduce you.

Whether you are planning a big or small gathering, The White Palace can't wait to welcome you.

THE DEVONSHIRE SUITE

THE BIG DAY

The Grand Hotel has a host of celebration spaces, perfect for weddings, civil partnerships and blessings. Our Compton Room is a former Victorian ballroom with stained glass windows, creating a romantic setting for your wedding breakfast or vows. The Silverdale Room offers intimate lighting and a dance floor, perfect for an informal gathering.

INTIMATE WEDDINGS

SMALLER CELEBRATIONS

At The Grand, we understand that weddings come in all shapes and sizes. Our more intimate spaces include The Gallery on the balcony, the wood-panelled Dukes Room, the Arundel Room with its lovely natural lighting or the fairytale Princes Room with stunning crystal chandeliers.

ACCOMMODATION

SUITE DREAMS

A perfect wedding isn't complete without a perfect wedding night. The Grand has many romantic rooms and suites to choose from, including the Penthouse Suite with its dramatic sea views, the spacious Presidential Suite and the romantic Debussy Suite. Whichever you choose, there will be chilled strawberries & champagne waiting for you, as well as a bed strewn with rose petals.

WEDDING PACKAGES

TAILORED TO YOU

Our Wedding Coordinators have just one role — to make your day perfect. You can choose from a range of wedding and civil partnership packages. Or we can plan a celebration that is totally unique to you. We are ready to create your dream day, all you have to do is ask.
